VINIFICATION

La Comme is a climat of 21.61 ha located in Santenay. In continuation of the Combe de Saint-Aubin, the hilly situation Climat gave it its name: "Comme"

After sorting in the vineyard and winery, the grapes are de-stemmed then directly put in tank. The spontaneous fermentation then starts. The grapes will stay in tank for roughly 3 weeks during alcoholic fermentation. The wine is then put in oak barrels, by gravity, for 12 months (no new oak).

TASTING NOTES

The color is moderately supported with a ruby hue. The nose is reminiscent of red berries (currant, strawberry). On the palate, it's a nice balance that stands out with a refreshing tension.
