## VINIFICATION

Les Gravières is a broad climat of 29.46 ha. Its name speaks for itself, the soil is rich in gravel and limestone from the Combe de Saint-Aubin. The Domaine Jessiaume is the largest owner of Gravières. The plot is historic for the domaine.

After sorting in the vineyard and winery, the grapes are de-stemmed then directly put in tank. The spontaneous fermentation then starts. The grapes will stay in tank for roughly 3 weeks during alcoholic fermentation. The wine is then put in oak barrels (no new oak), by gravity, for 12 months.

## TASTING NOTES

The color is ruby red of medium intensity. The nose is delicate on fresh red fruits with a hint of clove. The mouth is a bit tight but round.
