VINIFICATION

Les Gravières is a broad climat of 29.46 ha. Its name speaks for itself, the soil is rich in gravel and limestone from the Combe de Saint-Aubin.

After directly pressing the whole grapes the juice is transferred to stainless tanks. The must is then put in oak barrels by gravity and naturally starts the alcoholic fermentation. The aging occurs on the lees for 15 months (25% new oak).

TASTING NOTES

The color is golden yellow with silver shades. The complex nose develops citrus aromas and floral notes. In the mouth, it has a beautiful richness that stands out with the length slightly brioche.
