VINIFICATION

"Les Ecussaux" is a climat of Auxey-Duresses with an area of 3.17 ha. The origin of the name comes from the word "écluse" which means lock. In fact, there is a stream at the bottom of the parcelle, which at the time must have been quite important. Normally a perfect place for a fishery.

After directly pressing the whole grapes the juice is transferred to stainless tanks. The must is then put in oak barrels by gravity and naturally starts the alcoholic fermentation. The aging occurs on the lees for 12 months (20% new oak).

TASTING NOTES

The nose is racy and has elegant notes of wood and minerality with a hint of butter. The palate is round and mineral with hints of citrus. The finish is long with a beautiful persistence.
