

Bourgogne

Pinot Noir

2023

GRAPE

Pinot Noir

HARVEST

14/09/2023

BOTTLING PROCESS

24/01/2025

CONSERVATION POTENTIAL

5 years

VINIFICATION

After sorting in the vineyard and cellar, the grapes are destemmed and then directly vatted. Spontaneous fermentation then begins, followed by a 3-week cuvaison. The wine is then aged in oak barrels for 10 months (0% new wood). No fining is carried out.

TASTING NOTES

This Bourgogne Pinot Noir seduces with its bright ruby color and aromas of cherry, raspberry and violet. On the palate, it is elegant and balanced, with fine tannins and fresh acidity prolonging the finish.
