

Santenay

Clos du clos Genet

2021

PLOT

Santenay

GRAPE

Pinot Noir

HARVEST

29/09/2021

AREA

0,53 Ha

EXPOSURE

South-West

BOTTLING PROCESS

12/12/2022

GROUND

Brown limestone and Marl

CONSERVATION POTENTIAL

5 years

VINIFICATION

The Clos Genet is a climat of 8.23 ha. It comes from the family of the same name. The particularity of the Domaine Jessiaume plot lies in the fact that its vines are enclosed within a Clos separated from the rest of Clos Genet. It is therefore called Clos du Clos Genet.

After sorting in the vineyard and in the winery, the grapes are de-stemmed and then directly put in tank. Cold pre-fermentation maceration is performed for 5 days. The spontaneous fermentation then starts. The grapes will stay in tank for roughly 3 weeks during alcoholic fermentation. The wine is then put in oak barrels by gravity (25% new oak) for 12 months. No fining is performed.

TASTING NOTES

A clear bright pale ruby purple. The bouquet has an earthy quality compared to the more floral Cassière. A little more substance and perhaps more what is expected of village Santenay. It is in the mouth that the class shows, with a wealth of ripe strawberry on the palate. Nonetheless destemmed. - Jasper Morris MW 2021 -
