VINIFICATION

Les Gravières is a broad climat of 29.46 ha. Its name speaks for itself, the soil is rich in gravel and limestone from the Combe de Saint-Aubin.

After directly pressing the whole grapes the juice is transferred to stainless tanks. The must is then put in oak barrels by gravity and naturally starts the alcoholic fermentation. The aging occurs on the lees for 12 months (30% new oak) and then 4 to 6 months in steel tanks.

TASTING NOTES

This superb Burgundy boasts a ripe apple, almost tropical fruits aroma with an exotic floral edge; the sweet fruit carries onto the palate, where the wine has a rich texture, lovely density, and impressive length. - Decanter 2021
