VINIFICATION

This parcel is located in the Climat "Les Brouillards" but in the Village appellation and not 1er Cru. The peculiarity lies in the fact that the rows of vines start with the Village appellation for the first 50 meters, then the rest of the rest of the rows are in 1er Cru.

After sorting in the vineyard and in the winery, the grapes are de-stemmed and then directly put in tank. The spontaneous fermentation then starts. The grapes will stay in tank for roughly 3 weeks during alcoholic fermentation. The wine is then put in oak barrels (no new oak) by gravity for 12 months. No filtration or fining is performed.

TASTING NOTES

Brilliant and dark ruby are the visual qualifiers of this wine. The nose is floral, mixed with certain notes of wood. The mouth is quite powerful but remains elegant.
